

The Wish List

Dear Friends,

Thank you for supporting Danita's Children. Your generous support helps rescue, love and care for orphans and impoverished children in Haiti. We can't do this work without people like you getting involved.

The following is a current 'Wish List' of items and/or projects provided by our team in the field. Each of these items and/or projects needed helps us continue our work and makes a positive difference for a child in Haiti. Whether it's one item or several, every gift you give is important to this work.

If you or your organization would like to assist in providing supplies, or in funding the purchase of supplies or projects, please contact our US Offices at 407-805-9532, or email: usoffice@danitaschildren.org for shipping information or assistance in making your donations.

You may also mail your donation to P.O. Box 864311 Orlando, FL 32886, or make an online donation to purchase items. Just log on to www.danitaschildren.org, and make your donation. In the space provided, designate how you would like your donation to be used.

If you wish to purchase and ship any of the items listed, please consider including funds that will help cover the cost of shipping. The approximate current cost to ship items to Haiti is \$3-4 per pound.

Thank you again for being a part of the Danita's Children family!

Serving with you,

The Team at Danita's Children

P.S. Please note that this list is subject to changes as our needs change. The 'Wish List' will be updated regularly. To see if your list is the most current one available, please log on to: www.danitaschildren.org/ways-to-give/list-of-needs/.
